

## **We are looking for new people to join our team!**

Kings' School is a happy and ambitious community school, educating 11 to 16 year olds. We are excited about the future of education and determined to remain "outstanding". We want to offer you a friendly, supportive working environment.

There are a selection of support posts currently being advertised to start in September:

- Cover Supervisor
- Learning Support Assistant
- Dining Room Assistant

They would all suit someone looking to work term time only or perhaps someone who would like to get into teaching.

Please visit our website for more information or call Mrs Keay for an informal chat
