

# **Winchester Basics Bank at Winchester Cathedral Christmas Market - an urgent appeal.**

**I am writing to thank you for your support for Winchester Basics Bank this year - particularly during our annual Harvest Appeal. Your support is critical in what appears now to be a growing demand for emergency food and clothing for Winchester residents.**

**On Thursday 13th December we will be at the Winchester Cathedral Christmas Market collecting Christmas Food and Toys for those who will be in need during the festive period.**

**If your school would like to contribute to this and you are able to organise a collection then please bring any donations along to our stall between 10am and 7pm on the day. Alternatively, they can be brought along to our base at Penton Place in Highcliffe on Friday 14th December so that we can distribute them the following week.**

**Please contact us at [friends@winchesterbasicsbank.co.uk](mailto:friends@winchesterbasicsbank.co.uk) or call on 01962 855774 with any enquiries.**

**Many thanks**

**Mary, Jeremy, and Frances**
