

## Winchester City Flyers are looking for new players for the 2019/20 season.

The Under 12s are moving to 11-a-side games next year and are looking for girls to join a fantastic group and strengthen the squad.

With Level 1 and 2 coaches delivering training for girls of all abilities, we have fun, learn, and all enjoy our football.

We play all our games in the Hampshire Girls Youth League (South).

If you would like to give football a shot, come along for two training sessions to get a feel for it.  
All abilities welcome.
